

The Truth About The Sodomites

"I have seen the wicked in great power, and spreading himself like a green bay tree. Yet he passed away, and, lo, he was not: yea, I sought him, but he could not be found. Mark the perfect man, and behold the upright: for the end of that man is peace." —Psalm 37:35-37

"Ye that love the LORD, hate evil..." —Psalm 97:10

By David J. Stewart | October 2014 | Updated July 2015

The word "sodom" and "sodomites" is found in the King James Bible 53 times. So it is an important matter to God. The Bible does not take the issue lightly. Many people are going to be offended by this article, but the Word of God is crystal clear on this subject. Many people will be offended because they've been wrongly taught by Hollywood and Godless television shows that homosexuality is acceptable and natural, but it is a vile sin. What you see on TV is a lie! What you hear in the music is a lie! This is an unpleasant subject, because sodomy is not pleasant. Homosexuality is disgusting, as the statistics show. In a moment I will share with you some disturbing, eye-opening and unpleasant facts about homosexuality.

In Genesis 19:1-11 we read about a wicked group of sodomites who attempted to break down Lot's door and rape the angels from Heaven. When Lot pleaded with his neighbours in Sodom not to do wickedly by committing homosexuality, they accused Lot of judging them. We here this a lot today from the wicked world... "You're judging me!" **Genesis 19:9, "And they said, Stand back. And they said again, This one fellow came in to sojourn, and he will needs be a judge: now will we deal worse with thee, than with them. And they pressed sore upon the man, even Lot, and came near to break the door."**

Please see, [The Bruce \(Caitlyn\) Jenner Hoax](#).

I did not author the Bible, God did. I would never encourage nor applaud any violence against homosexuals. However, God made it a capital offense, punishable by law. **Leviticus 20:13, "If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them."**

2nd Peter 2:6, "And turning the cities of Sodom and Gomorrha into ashes condemned them with an overthrow, making them an ensample unto those that after should live ungodly; And delivered just Lot, vexed with the filthy conversation of the wicked." Notice that the Bible doesn't say that Lot was vexed with the "alternative lifestyle" of the wicked; but rather, the "FILTHY CONVERSATION" (manner of life) of the wicked. Homosexuality is a "deathstyle"! **Romans 6:23 says, "For the wages of sin is DEATH..."**

...

**Proverbs 15:9, "The way of the wicked is an abomination unto the LORD:
but he loveth him that followeth after righteousness."**

Jude 1:7, "Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire." The word "strange" here has a synonym... "QUEER." It is not natural nor normal for a man to go after another man's flesh, lusting upon another man. It is strange! It is queer! I say this kindly in love, because it is the truth.

When God destroyed Sodom and Gomorrah, 2nd Peter 2:6 teaches that it was done as "AN EXAMPLE" of what God would do to the wicked in eternity, punishing them in the Lake of Fire forever!!! Sodom and Gomorrah shows us exactly what God thinks about sin, not just homosexuality, but all sin. I say this in love because I care about you. When you love someone, you don't look the other way while they self-destruct. Instead, you do what you can to warn, help and pray for them. I pray for my web visitors daily, that God would work in people's hearts to make an eternal difference. I want what's best for you! Homosexuality is of the Devil.

God Destroyed the City of Sodom as An Example to the Wicked

Jude 1:7, "Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire."

The Bible calls homosexuals "Sodomites," linking the sin of homosexuality to the destruction which came upon Sodom and Gomorrah. **Genesis 13:13, "But the men of**

Sodom were wicked and sinners before the LORD exceedingly.” Genesis 19:24, “Then the LORD rained upon Sodom and upon Gomorrah brimstone and fire from the LORD out of heaven.” 1st Kings 14:24, “**And there were also sodomites in the land**: and they did according to all the abominations of the nations which the LORD cast out before the children of Israel.” Since two men cannot mate in normal fashion as a male and female, they have to SODOMIZE each other!!! Sodomy is truly a very risky perverted deathstyle that has been medically documented. ...

'Gay' Doctor, Stephen Goldstone: Anal Sex Like a 'Battering Ram' for which Your 'Sphincter Is No Match'

Americans For Truth About Homosexuality

Monday, January 20th, 2014

Can you handle the truth about homo-sex? Most people can't, because it is brutal (literally) and repulsive. Here is a quotation from **Dr. Stephen Goldstone**, an open homosexual and author of *The Ins and Outs of Gay Sex*. Dr. Goldstone is an Assistant Clinical Professor of Surgery at **The Mount Sinai School of Medicine** and an expert on “gay men's health” and “anorectal disorders,” according to the (“gay”-affirming) **Physicians Research Network** [see their bio of Goldstone [HERE](#)]. This item is reprinted from 1999 issue of *Lambda Report*, the print predecessor to Americans For Truth.

As I wrote back then, “keep in mind that Goldstone is a ‘sex positive’ homosexuality advocate who dedicates his book to his [male] lover, Bruce.” Also, it seems obvious but it needs to be said: anal sex is also high-risk if practiced by heterosexuals [see [this British web article](#) and this interesting piece, “[Women Are Having Anal Sex for All the Wrong Reasons](#)”]. Tragically, pornography is helping to “mainstream” this destructive vice — which in saner times was described (by English jurist **William Blackstone**) as the “[infamous crime against nature](#)” – and “a subject the very mention of which is a disgrace to human nature.” –**Peter LaBarbera, AFTAH**

There is a deliberate attempt in America today by satanists to normalize abnormal sexual behavior. Commander William Guy Carr (1895-1959) saw this trend more than a half-century ago in his awesome book titled, [Satan: Prince Of This World](#). Here are some [Amazing quotes from Commander Carr's book](#).

God Gave Them Up, Because They First Rejected God

The Bible has MUCH to say against the homosexual deathstyle of sin. The Bible condemns homosexuality. Read what the New Testament says about the homosexual deathstyle.

Notice that “GOD GAVE THEM UP,” but only after they gave God up. They reduced God to the image of a beast, not wanting to retain God in their knowledge. The Bible paints a very ugly picture of homosexuality.

In Romans 1:28-31 God describes homosexuals as, “Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, Backbiters, haters of God, spiteful, proud, boasters, inventors of evil things, disobedient to parents, Without understanding, covenantbreakers, without natural affection, implacable, unmerciful...” The word “implacable” (Greek: *aspondos*) is particularly disturbing. It means that you cannot placate, that is, you cannot come to a truce with homosexuals. They cannot be reasoned with in their lustful quest. There is no mercy. They hate God as the Bible teaches.

Romans 1:18-32...

18. For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness;
19. Because that which may be known of God is manifest in them; for God hath shewed it unto them.
20. For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse:
21. Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened.
22. Professing themselves to be wise, they became fools,
23. And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things.
24. Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves:
25. Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen.
26. For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature:
27. And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet.
28. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient;
29. Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers,
30. Backbiters, haters of God, spiteful, proud, boasters, inventors of evil things, disobedient to parents,

31. **Without understanding, covenantbreakers, without natural affection, implacable, unmerciful:**
32. **Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.**

In Genesis 19 (homos become violent and attempt to rape Lot's guests) and Judges 19 (homos sexually abuse a woman all night until she dies), homosexuals became violent and were without mercy, unable to be reasoned with.

God Doesn't Make Mistakes

No one is born queer. Notice that God gave them over to a reprobate mind. God calls them unclean. Homosexuality is filthy, as are all sexual sins. When God rejected them, He gave them over to uncleanness. Homosexuals are claiming that God made them that way. The truth is that they became that way, but not by God's doing. The Bible teaches in 1st Corinthians 14:33 that God is NOT THE AUTHOR OF CONFUSION. Two men having sexual relations is confusing. Two women having sexual relations is confusing. The fact that two men cannot naturally biologically reproduce evidences that it is not meant to be by God.

God has established boundaries for mankind. God's commandments aren't intended to prevent us from having fun; but rather, so that we can enjoy life without needless consequences, pain and suffering. When the Bible says that "God gave them up," it means that God allowed them to go beyond the natural restraints of nature, behaving like animals without a conscience.

From Genesis to Revelation, every homosexual in the Bible swung BOTH WAYS (bisexual). That's why **Leviticus 20:13** says, "**If a man also lie with mankind...**" I once heard a homosexual saying that he was looking for a sex partner, "MALE OR FEMALE." The Bible is correct, homosexuals swing both ways! This is because homosexuality is an advanced state of lust, because God has given them over to sin.

The Fraud of Same-Sex Marriage

There is nothing in the Bible about same-sex marriage, because it is the wrong argument. Satan loves to get people arguing over the wrong thing. While the world is arguing whether or not they should be married, the Bible is arguing whether or not they should be alive. Don't get mad at me, God authored the Bible and said that homosexuality is a crime in His government, punishable by death in Leviticus 20:13. Granted, that seems overly harsh to me as well, but I didn't make the rules and write the Bible, God did. I don't question God's Word. I'm not as righteous as God, so I cannot fathom God's justice and laws. I cannot grasp someone being cast into Hell forever, but God said it and that settles it! I don't question my Creator, I choose to trust and love Him because He first loved me (1st John 3:16).

The gay-marriage debate is a massive fraud, a false choice, a falsehood fabricated in an attempt to justify homosexuality as the norm. Gay-marriage is something that politicians use to make it look like they're taking a stand, when they're really not. In 2008, Barack

Obama said that he was against gay-marriage while running for re-election, when in reality he has appointed over 200 GLBT (Gay Lesbian Bisexual Transgendered) to government positions as U.S. President. Politicians are two-faced liars, saying different things to different crowds to deceive them and gain their vote. Truly, people are as dumb sheep.

I am not saying that anyone should hurt or incite violence against gays, God forbid. I am simply preaching the Holy Bible, which teaches that homosexuality is abnormal, a vile sin, an abomination and In fact, the opposite is true. The Godless, liberal, pro-homosexual newsmedia today are encouraging violence against Christians, by continually portraying God-fearing, Bible-believing, outspoken, Christians as hatemongers against gays. The truth is hate to those who hate the truth!!!

The answer is not in The White House. The answer is not Alex Jones and his millions of fans. The answer is not the patriots, constitutionalists and waking the military up. The answer is in the pulpits of America... PREACHING PREACHERS!

"Old-fashioned, Spirit-filled, Christ-honoring, sin-hating, soul-winning, Bible preaching! It is the hope of the church! It is the hope of the nation! It is the hope of the world!" —[Pastor Jack Hyles](#) (1926-2001)

Disturbing Hardcore Facts About Homosexuality

The Bible paints a very ugly picture of this negative segment of our society. The Bible portrays homosexuals consistently as: rapists, perverts, haters, violence, violating people against their will, disgusting, reprobate, murderous, malicious and predators who can never be satisfied, completely given over to their own wicked heart as a beast. Sadly, there are many people who think that the Bible is a fairy tale written by men, and that it is malign and hateful.

Now let's take a look at the world's distorted view of homosexuals, who say that sodomy is normal and should be experimented with. Public schools teach children that they may unknowingly be a homosexual, and that it is ok to be a sodomite, and it is trendy, so they should experiment to find out. It is sickening and evil. Children are being homosexualized! Teens are being lied to, being taught that gays just want to be accepted and live a normal life, but hateful bigoted Christians won't let them. The false claim is that gay-marriages will be similar to the wholesome 1950's TV show, "Leave It To Beaver," it'll just be two men cohabiting. The public is told to believe that homosexuality is natural, normal, that they're born that way, animals do it (we're born that way), it's a gay gene, they just want to raise children and live happy and normal lives, they love each other, they're not pedophiles, many of them love the Lord, et cetera. This is what we are being foolishly told to deceive us!

Let's get some science out and test the world's viewpoint verses what the Holy Bible teaches. The CDC (Center for Disease Control) is a wing of our pro-homosexual government. [According to the CDC](#), the A.I.D.S. rate is [50-times higher for homosexuals](#) than heterosexuals. Syphilis is off the charts! Television will never tell you the truth that the homosexual deathstyle will likely give you some horrible disease, shorten your life and leave you with *gay bowel syndrome*!

A shocking [Bell and Weinberg study](#) reported evidence of widespread sexual compulsion among homosexual men. 83% of the homosexual men surveyed estimated they had had sex with 50 or more partners in their lifetime, 43% estimated they had sex with 500 or more partners; 28% with 1,000 or more partners. The study found that homosexual monogamy (or faithfulness) to one partner amongst gay couples DID NOT EXIST. They're getting married, but they're still going out and having sex with multiple partners. Nearly one-third of homosexuals confessed to having sex with over 1,000 partners.

It should now be clear why the A.I.D.S. rate is 50-times higher amongst homosexuals. Here are the hardcore facts about the sinful homosexual deathstyle...

Is Homosexuality Healthy? ...

Emotional Health

A major study by Bell and Weinberg revealed that 78% of male homosexual "affairs" (relationships entered into with an intent of commitment) lasted less than three years. Only 12% lasted five years or longer. Study by Alan P. Bell and Martin S. Weinberg, "Homosexualities: A Study of Diversity Among Men and Women", (New York, Simon and Shuster, 1978) p.314

Certainly, this shows a pattern of broken relationships that must be painful for many.

73% of the psychiatrists in the American Psychiatric Association who responded to a survey by Harold I. Lief said that they thought that homosexual men are less happy than others. 70% percent said they believed that the homosexuals' problems were due more to personal conflicts than to social stigmatization. Study by Harold I. Lief, Sexual Survey Number 4: Current Thinking on Homosexuality, Medical Aspects of Human Sexuality 2 (1977), pp.110- 111.

David McWhirter and Andrew Mattison conducted a non-random study of 156 stable committed male homosexual couples. They found that none of the over 100 couple that had been together for more than 5 years had been sexually monogamous or exclusive. The authors, themselves a gay couple, argued that for male couples, sexual monogamy is a passing stage of homophobia and that many homosexuals separate emotional fidelity and sexual exclusivity. What matters for male couples is emotional not physical faithfulness. D McWhirter and A Mattison, "The Male Couple: How Relationships Develop", (Englewood Cliffs, Prentice-Hall).

Studies have shown that children of homosexual households are 2 to 4 times as likely to become homosexual themselves as compared to the general population. Timothy J. Daily, "Family Research Council:

Insight: Homosexual Parenting: Placing Children at Risk”.

Psychological Health

In a national health care survey 75% of the nearly 2000 lesbian respondents reported they had pursued psychological counselling of some kind, many for treatment of long-term depression or sadness. J. Bradford et al., "National Lesbian Health Care Survey: Implications for Mental Health Care," *Journal of Consulting and Clinical Psychology* 62 (1994): 239, cited in *Health Implications Associated with Homosexuality*, p. 81.

Homosexual men are 6 times more likely to have attempted suicide than are heterosexual men. Study by Bell and Weinberg, "Homosexualities...", Table 21.12

Studies indicate that between 25 and 33% of homosexual men and women are alcoholics. Study by Robert J. Kus, "Alcoholics Anonymous and Gay American Men", *Journal of Homosexuality*, Volume 14, No.2 (1987), p.254

Bell and Weinberg reported evidence of widespread sexual compulsion among homosexual men. 83% of the homosexual men surveyed estimated they had had sex with 50 or more partners in their lifetime, 43% estimated they had sex with 500 or more partners; 28% with 1,000 or more partners. Bell and Weinberg p 308

The same study revealed that homosexual men have to a great extent separated sexuality from relationship. The survey showed 79% of the respondents saying that over half of their sexual partners were strangers. Seventy percent said that over half of their sexual partners were people with whom they had sex only once. Bell and Weinberg pp.308-309. It should be noted that this survey was drawn from the San Francisco area at the height of the celebration by that gay community of its freedom from the restraints of "puritanical, middle-class values" and before the AIDS epidemic struck.

In their study of the sexual profiles of 2,583 older homosexuals published in *Journal of Sex Research*, Paul Van de Ven et al. found that "the modal range for number of sexual partners ever [of homosexuals] was 101–500." In addition, 10.2 percent to 15.7 percent had between 501 and 1000 partners. A further 10.2 percent to 15.7 percent reported having had more than 1000 lifetime sexual partners. Paul Van de Ven et al., "A Comparative Demographic and Sexual Profile of Older Homosexually Active Men," *Journal of Sex Research* 34 (1997): 354.

A survey conducted by the homosexual magazine *Genre* found that 24 percent of the respondents said they had had more than 100 sexual partners in their lifetime. The magazine noted that several respondents suggested including a category of those who had more than 1,000 sexual partners. "Sex Survey Results," *Genre* (October 1996), quoted in "Survey Finds 40 percent of Gay Men Have Had More Than 40 Sex Partners," *Lambda Report*, January 1998, p. 20.

Surely these are indications of either deep dissatisfaction, or else terribly destructive hedonism.

Physical Health

90% of lesbians surveyed had been recipients of one of more acts of verbal aggression from their partners during the year prior to the study, and 31% reported experiencing physical abuse (Lettie L. Lockhart et al., "Letting out the Secret: Violence in Lesbian Relationships," *Journal of Interpersonal Violence* 9 (1994): 469–492.) and in another reference we see that "the incidence of domestic violence among gay men is nearly double that in the heterosexual population." Gwat Yong Lie and Sabrina Gentlewarrior, "Intimate Violence in Lesbian Relationships: Discussion of Survey Findings and Practice Implications," *Journal of Social Service Research* 15 (1991): 41–59.

The Medical Institute for Sexual Health further reported: "It should be noted that most studies of family violence do not differentiate between married and unmarried partner status. Studies that do make these distinctions have found that marriage relationships tend to have the least intimate partner violence when compared to cohabiting or dating relationships." *Health Implications Associated With Homosexuality* (Austin: The Medical Institute for Sexual Health, 1999), p. 79.

Lesbians are 3 times more likely to abuse alcohol and to suffer from other compulsive behaviours. Joanne Hall, "Lesbians Recovering from Alcoholic Problems: An Ethnographic Study of Health Care Expectations," *Nursing Research* 43 (1994): 238–244

A study of homosexual twins found that they are more likely to have attempted suicide than their heterosexual twin. R. Herrell et al., "A Co-twin Study in Adult Men," *Archives of General Psychiatry* 56 (1999): 867–874

The life expectancy for gay and bisexual men is 8 to 20 years less than for men in general. Robert S. Hogg et al., "Modeling the Impact of HIV Disease on Mortality in Gay and Bisexual Men," *International*

Journal of Epidemiology 26 (1997): 657.

"A disproportionate percentage — 29 percent — of the adult children of homosexual parents had been specifically subjected to sexual molestation by that homosexual parent, compared to only 0.6 percent of adult children of heterosexual parents having reported sexual relations with their parent. ... Having a homosexual parent(s) appears to increase the risk of incest with a parent by a factor of about 50." P. Cameron and K. Cameron, "Homosexual Parents," *Adolescence* 31 (1996): 772

The average homosexual's life is shortened by 8-20 years! The people who did these studies got upset when preachers and family advocate groups used their statistics to expose the filthy homosexual deathstyle. The facts don't lie. Hollywood is lying. TV is lying. Most people are too stupid to question what they are told on TV. They just say in their utter woeful ignorance, "Oh you're a hater!" or "You're just a hate preacher!" No, the truth is that you just hate the truth. They don't realize these facts that I just shared with you. The world is a liar. Satan is a liar! The Bible is God's truthful Word! I am your friend for preaching the truth!!!

The world will not tell you the truth that homosexuality is an evil deathstyle that leads to ruin. Jesus wasn't popular, they crucified Him. Stephen wasn't popular, they stoned him to death. The apostles weren't popular, they spent half their time in jail in the book of Acts. Preaching the truth is never popular. The Bible said that faithful Christians would suffer persecution for living godly in Christ Jesus. **2nd Timothy 3:12, "Yea, and all that will live godly in Christ Jesus shall suffer persecution."** The truth is not popular these days in 2014, and it never has been. Jesus said that the world would kill us and think they are doing God a favor (John 16:2).

As we approach the End Times of humanity, leading into World Government (aka, the *New World Order*) whose false messiah will be the Antichrist, persecution against Bible-preaching Christians will woefully increase. Anyone can go along to get along with wickedness, but it takes courage to take a stand for God in these wicked times. It is repulsive to actually hear professed Christians saying that they are ok with what homosexuals do in the privacy of their own homes, just so long as they don't push their agenda on children. Don't kid yourself. The truth is that homosexuals are indeed forcing their perverted agenda on children. All of the public schools are saturated with sexual perversion, encouraging children not to be afraid to discover that they're really a homosexual. In reality, the power of suggestion is being used to homosexualize children, making heroes out of lesbians and villains out of Christians.

America has become a hellhole of wickedness, crime, homelessness, perversion and indecency. **1st Kings 14:24, "And there were also sodomites in the land: and they did according to all the abominations of the nations which the LORD cast out before the children of Israel."** The Word of God is not tolerant of homosexuals, which is why Lucifer (Satan) has corrupted all of the modern Bibles, completely removing the word "sodomite." The sinful world is always changing, but God never changes (Malachi 3:6; Hebrews 13:8). The Word of God never changes (Luke 21:33). The King James Bible is not changing!

As our spiritually sick nation continues to embrace the sin of homosexuality, faithful Bible-preaching Christians will be persecuted more and more by evil people. Already, it is happening. [Houston Court Orders Churches To Hand Over Sermon Notes On Homosexuality For Possible Charges!](#) God will not bless a wicked nation, which is why the United States is falling apart and ready to implode with civil unrest.

God Loves Sinful People

If you are a homosexual, God loves you! God hates the sin, but He loves you. God loves you so much that He was willing to die for you. Shame on John MacArthur and other Calvinists who falsely teach that Christ only died for the elect (saved). This heresy is called "[Limited Atonement](#)." Jesus Christ died on the cross for your sins, and that includes the sin of homosexuality as well as gossip, hatred, stealing, adultery, idolatry, murder and every other sins. Homosexuality is a form of sexual addiction. If you sincerely believe that you were born with homosexual tendencies, then you are called by God to live a celibate life, because homosexuality is a sin in God's eyes. There is no justification for any sin.

Apostate churches are teaching that God's unconditional love for humanity which sent Christ to the cross, also includes accepting the homosexual community in their unrepentant condition. This is unbiblical and evil to the core. Although God unconditionally loves every human being, He never permits nor accepts wickedness. Homosexuality is a sin. Although we are all sinners and struggle throughout life with sin, no one who chooses to live in open and unconfessed sin can be pleasing to God. This includes born-again Christians. No unsaved person can be pleasing to God, no matter how self-righteous they may be. You must receive Christ as your personal Savior. Likewise, no saved person can be pleasing to God who chooses to live in open sin.

To please God there must be both the imputed righteousness of God, which is solely by faith in Christ Jesus (this is salvation); and then there must also be the practical righteousness of the obedient believer in Christ. It is possible that some homosexuals are saved, having freely received Christ; however, God will chastise them if they are truly His child (Hebrews 12:6-8), nor can they be pleasing to God in their unconfessed sins (Romans 8:8). **Romans 8:8, "So then they that are in the flesh cannot please God."**

God doesn't expect us to be perfect, because it is impossible. This is why Christ went to the cross and paid the price for our sins, suffering in our place. Christ is the sinless, perfect, Lamb of God! By receiving Jesus as our personal Savior, Christ's perfection is imputed to us, and our sins are imputed to Christ (which He paid for on the cross). That's the best deal in the world!

God helps the believer live right. **Galatians 2:20, "I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me."** No one can live the Christian life on their own without the Spirit of Christ (Romans 8:9). God will forgive any sinner who comes by way of the name and cross of Jesus Christ to be saved. We are saved by believing (trusting) the Gospel, as payment for our sins.

America's second U.S. President, John Adams, stated that the U.S. Constitution was only intended for a society restrained by morality and religious beliefs...

“We have not government armed with power capable of contending with human passions unbridled by morality and religion. Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other.” —U.S. President John Adams

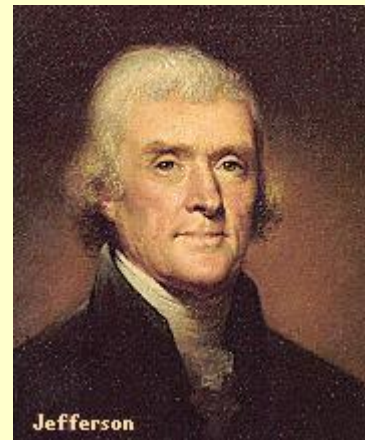

Even so, come, Lord Jesus!

END

The Tyranny of Judges

Thomas Jefferson's worst nightmare seems to have come to pass. Jefferson was very concerned that judges would become despots and overrule the rights of the people. In 1820, he wrote to a friend,

“You seem to consider the judges as the ultimate arbiters of all constitutional questions, a very dangerous doctrine indeed, and one which would place us under the despotism of an oligarchy. Our judges are as honest as other men, and not more so.”

Jefferson realized that the Constitution protects the will of the people, not the opinions of judges. But instead of protecting the people's vote on Proposition 8, Judge Walker used his judicial office to promote the agenda of a small minority who want to change the definition of marriage.

The definition of marriage, instituted by God and practiced by every culture since the creation of man, is under attack in America today. There is no discrimination against homosexuals in America with regard to marriage, no unequal treatment. Homosexuals are equally as free to marry as any other American. Their problem is that the definition of marriage itself requires every person to marry someone of

the opposite sex. The fact that homosexuals don't want to enter into marriage as it has always been defined doesn't give them the right to use the courts to change that definition to suit their wishes. Changing the definition of marriage, as Judge Walker has done, undermines the most important building block of any society.

Judge Walker described the "ability to marry" as a fundamental right that cannot be denied to gays and lesbians. But this conclusion is complete and utter nonsense. Every society in history has placed restrictions on the "ability to marry." You can't marry your sister. You can't legally be married to two or three people at the same time. You can't marry someone who is already married. And you can't marry someone of the same sex. Marriage by definition involves two people of opposite sexes who are—theoretically, at least—biologically capable of reproducing and forming families.

Same-Sex Marriage Has Sealed America's Doom!

A 2010 census revealed that just in Wisconsin, there are over 13,000 same-sex couples living together. Certainly that number is well into the hundreds-of-thousands in places like California. God will not bless a nation of homosexuals, abortionists and pornographers. Woe unto America...

Same-sex couples increase by nearly 60% since last Census

WSAU News
Friday, July 29, 2011

WASHINGTON, D.C. (WTAQ) - The number of same-sex couples is way up in Wisconsin. Statistics from the 2010 U.S. Census show more than 13,000 same-sex couples are currently living in the state. Milwaukee County has about three thousand, while almost 700 were counted in Waukesha County. The figures represent a growth of

almost 58 percent. In the last census in 2000, Wisconsin recorded about 8,200 same-sex couples.
